

UPDATED ONLY FOR LOGO AND BRANDING**Provider Notice**

To: HealthChoices Network Providers MA Enrolled as 08 110, Psychiatric Outpatient Clinics
From: Donald W. Stiffler, M.S., Provider Relations Manager
Date: August 23, 2011
Subject: AD 11 108 Claims Submission and Place Of Service 50 (POS 50) in Federally Qualified Health Centers (FQHC)

Please be aware that effective September 1, 2011, a specific place of service is available to identify outpatient services that were provided in an FQHC setting.

As of September 1, 2011 or as soon as possible, please use Place of Service Code 50 (POS Code 50) to identify services provided in FQHC's. POS Code 50 will be used when billing PerformCare for any Outpatient clinic service provided in that setting. Any Outpatient clinic service performed in a FQHC setting that occurs on or after September 1, 2011 must be billed using POS 50 rather than POS 99 when submitting claims to PerformCare. Services performed in the community (not a FQHC site) are not affected and the POS on those claims should remain POS 99.

This change applies only to providers licensed as a Mental Health Outpatient Clinic and PA MA enrolled as 08/110.

This is applicable to all claims submissions, both paper and electronic. Please assure that this change is brought to the attention of the each providers billing department. If you have any questions, please do not hesitate to contact your Provider Relations Representative at 1-888-700-7370.
