Prescriber Attestation

Following my recent face-to-face appointment and/or evaluation with _____ , and after considering less restrictive, less intrusive levels of care such as _____, I am prescribing the service listed below per this IBHS Order.

It is medically necessary that _____ receive a comprehensive face-to-face assessment for Intensive Behavioral Health Services (IBHS).

Along with this written order, I have included clinical documentation to support the medical necessity of the services ordered, including a behavioral health disorder diagnosis (listed in the most recent edition of the DSM or ICD), and measurable improvements in the identified therapeutic needs that indicate when services may be reduced, changed, or terminated, as per regulations.
