Subject: MH 10 105 Psychiatric Rehabilitation Coding Changes

Please be aware of an important change regarding billing for Psychiatric Rehabilitation Services (Mobile Psychiatric Rehabilitation, Site Based Psychiatric Rehabilitation and Clubhouse Services.) This modification was prompted by a change in the fee for service system which expanded the code set for psychiatric rehabilitation services.

It is very important that your billing staff is aware of these changes and that claims for services provided on or after November 1, 2010, are submitted with the updated codes. In addition any claims for services provided prior to November 1, 2010 using the old codes MUST be received by December 1, 2010. After December 15, 2010, the old codes will be eliminated from the system.

See attached chart for code updates. Grayed out boxes indicate eliminated coding.
