

Provider Notice

To: All ACT/CTT Network Providers
From: PerformCare
Date: March 20, 2024
Subject: MH 24 103 CM-053 Requests for Initial and Continued Authorizations for Assertive Community Treatment & Community Treatment Team Services

PerformCare has developed CM-053 P&P for ACT/CTT Providers to outline the requirements for the initial and continued stay authorization request process, discharge planning requirements and restates the medical necessity guidelines per the [OMHSAS ACT Bulletin](#). All requirements in [CM-053 P&P](#) are effective Monday, April 22, 2024. Please note the forms were previously announced on February 6, 2024 in provider memo [MH 24 102 ACT/CTT Form updates](#).

Please direct all questions to the assigned Care Manager for ACT/CTT.
