**To: SU Residential, IOP and Partial Hospitalization Providers**  
**From: Dan Eisenhauer, Director of Operations**  
**Date: December 3, 2024**  
**Subject: SU 24 103 CY 2025 ASAM Minimum Rates Implementation**

---

PerformCare has received notice that OMHSAS published new minimum rates for various SU levels of care effective 1/1/2025. The OMHSAS approved ASAM minimum rates are as follows:

Service	Rate Type	Fee
2.0WM	Per Hour	\$106.35
2.1	Per 15 Minutes	\$11.57
2.5	Per 15 Minutes	\$10.74
3.1	Per diem	\$160.13
3.5	Per diem	\$260.65
3.7	Per diem	\$321.78
3.7WM	Per diem	\$415.24

As a reminder, these rates are the minimum rate that a provider of IOP, PHP and Residential will be paid for Substance Use services. If a residential provider has a XYZ rate above these amounts, PerformCare will continue to pay that rate. If a residential provider has a XYZ rate lower than the rates above, PerformCare will pay the higher rate listed above.

If the fee schedule rate set by TMCA or CABHC exceeds the 2025 ASAM minimum rate for SU IOP or SU Partial Hospitalization, providers should bill using the approved fee schedule rate.

If your rates billed to PerformCare are below the CY 2025 ASAM minimums, please update your rates for these procedure codes effective 1/1/2025. PerformCare encourages providers to bill us at your usual and customary rate. This rate should be at or above the ASAM minimum, or CABHC or TMCA reimbursement rate whichever is higher. Please check your EOBs to assure that you are being paid at the correct rate. If you have any questions, please contact your Account Executive.
