**To:** PerformCare TMCA SU OP Clinics  
**From:** PerformCare  
**Date:** May 21, 2025  
**Subject:** SU 25 100 Interprofessional Consultation Services

---

The Pennsylvania Department of Human Services is expanding the use of Interprofessional Consultation Services to SU Outpatient clinics. Effective 7/1/25, providers with the 08/184 type and specialty can bill PerformCare for Interprofessional consultation services performed by a physician **via the 99452**. Eligible providers can bill PerformCare for consultation services described below that meet the CMS standard for consultation without the Member present as well as the required verbal reporting and written reports as applicable that must be submitted by the consulting professional to the treating practitioner. The MA bulletin includes these descriptions but additional guidance for these codes is found below. The rates for these services are listed in Attachment A.

Proc. Code	Service Description
99452	Interprofessional telephone/Internet/electronic health record referral service(s) provided by a treating/ requesting physician or other qualified health care professional, 30 minutes

Additional guidance on the use of these codes has been published here:
