

Provider Notice

To: All Providers Eligible to Deliver Street Medicine
From: Daniel Eisenhauer, Director of Operations
Date: January 26, 2024
Subject: AD 24 101: Street Medicine Place of Service codes

OMAP and OMHSAS issued the attached bulletin announcing the adoption of a new place of service for eligible providers who deliver services to people who are experiencing unsheltered homelessness with no fixed address, also known as street medicine. CMS approved Place of Service (POS) 27 (outreach Site/Street) effective 10/1/2023. POS 27 is defined as a non-permanent location on the street or found environment, not described by any other POS code, where health professionals provide preventive, screening, diagnostic, and/or treatment services to unsheltered homeless individuals.

Effective with the issuance of this notice the following provider types and specialties should use POS 27 when submitting claims to PerformCare for services delivered to unsheltered homeless individuals.
